

Looking for a special flag or banner that really **STANDS OUT?** **APPLIQUÉ IS OUR FORTE!**

Applique is a method of layering fabric on top of fabric for the most vibrant and colorful display.

The quality and detailed craftsmanship exceeds any printing style. These beautifully unique stitched creations are designed and hand-crafted with the finest workmanship in the industry. With applique each item is individually assembled and stitched by our expert sewing team.

These flags are made in the U.S.A. with precision and quality.

Applique is the choice for:

- Corporate logo flags
- Military guidon flags
- School and parade banners
- Message feather flags
- Presentation flags and banners
- Sports team banners

Applique also offers the opportunity to enhance existing flags and banners. Years and names can be added as needed without producing a new banner.

See page 114 for more details.
